Mar 11, 2018 I'm trying to install the 2020 AutoCAD CADDY update. I'm currently running 20.2.3. The problem is that it's a multilanguage version. There is only one version that comes with AutoCAD and it's in English. I need to be able to do it in French and German. I've tried several times to install it and I get a message saying it's impossible because my computer only has English language. Feb 14, 2018 I just installed 2020 AutoCAD and when I do the multilanguage patch, I get a message that says patch not available with the multilanguage version. Feb 11, 2018 I installed AutoCAD 2016 on my computer using the iso. It did everything great and I was able to perform the patches to make it compatible with AutoCAD 2020. Now, AutoCAD 2020 is installed on my computer. I followed the steps provided here:
